

## 40 Clipper Court, South Mission Beach, QLD, Cassowary Coast, 4852

Live life to the fullest at South Mission Beach.....

A gently sloping 1011m2 block of land with slightly elevated vantage points from which views of Dunk Island would be possible with astute planning & construction. This block of land, or should I say "slice of paradise" is well priced and the cooling seabreezes combined with its generous proportions, hints at a sense of superiority. Located at the end of a peaceful cul-de-sac in a picturesque and family friendly area where the biggest dilemma when all the weather elements culminate in a typical "South Mission Beach Day" is what excuse you are going to give your boss as you head out on the water. Give Sharon a call to express your interest today.....
