BUILD YOUR DREAM HOME IN YOUR PREFERRED POSITION IN STUART HILLS ESTATE....

Vacant lots available in a range of different sizes and situations. Sizes range from approx. 2500m² up to approx. 6000m². If you are up for a stunning view, then there are several 1 acre elevated lots available. OR If you prefer a more level playing field, then the newly sized smaller lots may suit you better. The estate is situated in an idyllic "out of town" location and offers wide bitumen roads, street lighting, underground power and town water, with neighbours far enough yet close enough when need be. The developer is generously offering a \$10,000 enticement to build your new home within 18 months of purchasing your land. If you do then they will give you back \$10k. The Queensland Government incentive for first home owners/builders of \$20,000 is worth a look into as well. A Master plan + prices for the remaining lots is available upon request.
