

124 Henry Road, Tully, QLD, 4854

Polished timber floors feature prominently in this 5 bedroom home which is about 15 minutes from Tully and has no immediate neighbours.

A complete kitchen revamp, together with internal gyprocking has created a modern ambience to the property. The spacious living area and main bedroom both open onto a generous balcony with some of the other rooms suitable for office space, sewing room or even an art studio if preferred. The internal staircase leads downstairs to 2 additional rooms, entertainment area and second bathroom & toilet. . Air-conditioning & built-ins. screens & fans. laundry shute provision. electric stove, hotplate and hot water system. rain water tank. Bore & pump . shed The interior of this home definitely exudes a more modern presence than its exterior, and warrants an inspection to fully appreciate its true character.
